

Communist Aims Pushed By Front Publications

The following list of 45 current communist goals appeared in the *Congressional Record* January 10, 1963. They were taken from *The Naked Communist* by Cleon Skousen, who began his intensive study of communism during his 16-year term of service with the FBI.

The list confirms the "line" pursued in communist publications in this country such as *The Worker*, *the People's World*, and a number of front publications. The check-list provides an interesting opportunity for each individual to determine how much enemy medicine he buys himself, and to observe the sources, both national and local, from which it is merchandized in quantity.

This is on the theory that a few grains of poison occasionally might not kill us but that large doses, repeatedly, can be lethal. At least we ought to know what it is we are asked to swallow.

CURRENT COMMUNIST GOALS

1. U. S. acceptance of coexistence as the only alternative to atomic war.
2. U. S. willingness to capitulate in preference to engaging in atomic war.
3. Develop the illusion that total disarmament by the United States would be a demonstration of moral strength.
4. Permit free trade between all nations regardless of Communist affiliation and regardless of whether or not items could be used for war.
5. Extension of long-term loans to Russia and Soviet satellites.
6. Provide American aid to all nations regardless of Communist domination.
7. Grant recognition of Red China. Admission of Red China to the U. N.
8. Set up East and West Germany as separate states in spite of Khrushchev's promise in 1955 to settle the German question by free elections under supervision of the U. N.
9. Prolong the conferences to ban atomic tests because the United States has agreed to suspend tests as long as negotiations are in progress.
10. Allow all Soviet satellites individual representation in the U. N.
11. Promote the U. N. as the only hope for mankind. If its charter is rewritten, demand that it be set up as a one-world government with its own independent armed forces. (Some Communist leaders believe the world can be taken as easily by the U. N. as by Moscow. Some times these two centers compete with each other as they are now doing in the Congo.)
12. Resist any attempt to outlaw the Communist Party.
13. Do away with all loyalty oaths.
14. Continue giving Russia access to the U. S. Patent Office.
15. Capture one or both of the political parties in the United States.
16. Use technical decisions of the courts to weaken basic American institutions by claiming their activities violate civil rights.
17. Get control of the schools. Use them as transmission belts for socialism and current Communist propaganda. Soften the curriculum. Get control of teachers' associations. Put the party line in textbooks.
18. Gain control of all student-newspapers.
19. Use student riots to foment public protests against programs or organizations which are under Communist attack.
20. Infiltrate the press. Get control of book-review assignments, editorial writing, policy-making positions.

21. Gain control of key positions in radio, TV, and motion pictures.
22. Continue discrediting American culture by degrading all forms of artistic expression. An American Communist cell was told to "eliminate all good sculpture from parks and buildings, substitute shapeless, awkward and meaningless forms."
23. Control art critics and directors of art museums. "Our plan is to promote ugliness, repulsive, meaningless art."
24. Eliminate all laws governing obscenity by calling them "censorship" and a violation of free speech and free press.
25. Break down cultural standards of morality by promoting pornography and obscenity in books, magazines, motion pictures, radio, and TV.
26. Present homosexuality, degeneracy and promiscuity, as "normal, natural, healthy."
27. Infiltrate the churches and replace revealed religion with "social" religion. Discredit the Bible and emphasize the need for intellectual maturity which does not need a "religious crutch."
28. Eliminate prayer or any phase of religious expression in the schools on the ground that it violates the principle of "separation of church and state."
29. Discredit the American Constitution by calling it inadequate, old-fashioned, out of step with modern needs, a hindrance to cooperation between nations on a worldwide basis.
30. Discredit the American Founding Fathers. Present them as selfish aristocrats who had no concern for the "common man."
31. Belittle all forms of American culture and discourage the teaching of American history on the grounds that it was only a minor part of the "big picture." Give more emphasis to Russian history since the Communists took over.
32. Support any socialist movement to give centralized control over any part of the culture, education, social agencies, welfare programs, mental health clinics, etc.
33. Eliminate all laws or procedures which interfere with the operation of the Communist apparatus.
34. Eliminate the House Committee on Un-American Activities.
35. Discredit and eventually dismantle the FBI.
36. Infiltrate and gain control of more unions.
37. Infiltrate and gain control of big business.
38. Transfer some of the powers of arrest from the police to social agencies. Treat all behavioral problems as psychiatric disorders which no one but psychiatrists can understand or treat.

39. Dominate the psychiatric profession and use mental health laws as a means of gaining coercive control over those who oppose Communist goals.

40. Discredit the family as an institution. Encourage promiscuity and easy divorce.

41. Emphasize the need to raise children away from the negative influence of parents. Attribute prejudices, mental blocks and retarding of children to suppressive influence of parents.

42. Create the impression that violence and insurrection are legitimate aspects of the American tradition; that students and special-interest groups should rise up and use united force to solve economic, political and social problems.

43. Overthrow all colonial governments before native populations are ready for self-government.

44. Internationalize the Panama Canal.

45. Repeal the Connally reservation so the United States cannot prevent the World Court from seizing jurisdiction over nations and individuals alike.

MARXISM MARCHES ON

Rich Man's "Peace Corps"

A rich man's Peace Corps (Executive Service Corps), is going into operation to promulgate the principles of free enterprise. Among those listed is Franklin D. Roosevelt, Under Secretary of Commerce; Hubert H. Humphrey, U. S. Senator; Jacob K. Javits, U. S. Senator; William S. Paley, President, Columbia Broadcasting Company; David Rockefeller, President, Chase National Bank; Vance Hartke, U. S. Senator; Solomon Linowitz, Industrialist; C. D. Jackson, Publisher; John H. Johnson, Publisher; Daniel A. Kimball, Industrialist; Lucius D. Battle, Asst. Sec'y. of State; William S. Gaud, Deputy AID Administrator; John E. Reilly, Foreign Affairs Assistant of the Senate's assistant Democratic Leader, Hubert H. Humphrey.

All of these gentlemen are members of the Council on Foreign Relations, whose objective is to convert this country into a Socialist nation and then make it a unit in a one-world Socialist system.

How can these gentlemen proclaim their intention to demonstrate by on-the-spot examples that the free enterprise system is far superior to government ownership and control, when each and every one of them are definitely opposed to the free enterprise system.

Blackmail - Soviet Style

Recently a young man, running for political office for the first time, distinguished himself by disclosing he had been paid \$3,000 by Soviet agents to report all the personal information he could get about influential Republicans and, if elected, to advocate pro-Communist policies.

This should be generally known, for it explains the treasonable voting records of so many in our government. Moreover, those blackmailed, or bribed, to do Moscow's bidding are also tools available to any power-thirsty scoundrel, sufficiently corrupt to give proof of willingness to plunder the nation to benefit the criminal Communist conspiracy, whereby Moscow is provided with so much loot that a mere fraction of it suffices to sustain this structure of moral foulness.

"He that passeth by, and meddleth with strife belonging not to him, is like one that taketh a dog by the ears."
